

## CELEBRATE WITH US

Let us take the hassle out of party planning and give your child or loved one an experience that will last a lifetime.

Our party packages help to build up your 'cool parent' points whilst giving you the choice and flexibility to pick and choose what is included.

Whether you're after a simple climbing party or an all-inclusive one with food and party bags, our team are ready and waiting to celebrate with you.

"My daughter recently had her 10th birthday party with you and I just wanted to say a huge thank you to the coaches for making her day so special. I've got a group of kids now who, besides being knackered, are all in love with climbing... we'll be back!"
